REMARKS

The Office Action of July 1, 2002, has been carefully considered. As set forth above, applicant is submitting corrected documents which are believed to respond to all of the examiner's remarks. Please substitute the corrected documents for the originally filed documents.

The present application now has a proper terminal disclaimer reflecting the owner at the time the terminal disclaimer was originally filed. The change in ownership was brought about by the change of ownership of parent application No. 5,275,410, which issued January 4, 1994. The assignment of the parent application brought about the assignment of the ownership of the present application, and thus, the parent and the present application were and are commonly owned.

It is believed that the present application is now in form for reissue. The undersigned solicits a telephone call if any further details are required.

Respectfully submitted,
